About Me

I am passionate computer science studentI'm interested in learning more about how computers work, and I have been working on my own projects that combine coding and art. My current project is a fun little game where you play as a cat who can jump up walls. It's done in dbms,c++,HTML, Java, C, and Python and runs in any browser you can access.

Education

Bharathidasan university-Queens college of arts and science for women-Bsc computer science

Skills

- c
- c++
- java
